Not this week. That's a good thought for the future though. Let's think it through some more.

Have you ever though about "free home delivery" from SWFM as a way to enhance sales?

Hey you two,

Just tossing it out there, I'm here to help if you would like me to present to the BID board. I know time is valuable, brevity being paramount - I can do that! :)) Just thinking if they do have questions I can field them and it may be helpful ...as well as field their ideas and such ...

Just a loose toss -- and if not this Thursday ...anytime ...can just keep in mind for the future of it,

Best,

Cynthia
